**Mission Statement  
Policy No. 1**

At St. Paul Lutheran YKT Child Care Center/The Learning Garden, we know kids. From our experienced, caring staff and St Paul's Lutheran Church to our clean, safe facility, we are in a class of our own. You will notice the difference from the moment you walk in the door. Our concepts put the attention solely on the kids. When they are here, it is all about them. Our goal is to nurture the child: to promote physical, cognitive, emotional, and spiritual growth. Families are encouraged to become involved in their children's activities as well as activities that the church offers. A strong happy family has strong happy children. The words of Proverbs define our philosophy of care here at The Learning Garden. We believe that we are to assist children in coming to know Jesus Christ.

**Welcome  
Policy No. 2**

The Learning Garden has been in operation since October of 2013. The goal was to open and operate a child care center that exceeds state and national standards and move early education into a new era. Our philosophy is simple. Provide developmentally appropriate activities, prepare children to exceed in public education and give children the skills needed to self-regulate when the world does not go their way. All while allowing the child to be a child and to learn through play.

The School Director at our school is responsible for the daily management of the facility. In the absence of Tracie Fielding the School Director, Shawn Williams the Assistant Director is the designated person in charge. A designated individual may also be in charge in the absence of the Leadership Team mentioned above.

Throughout this Parent Handbook, the Assistant Director will take the place of the School Director when the School Director is not available.

### **Philosophy Policy No. 3**

We believe that positive, early childhood experiences affect children's successes and perspectives throughout their lives. As caregivers, we strive to support and encourage our children to learn and grow in a fun and educational setting. We will work together with our parents to ensure that our children feel safe and cared for while they are here. The following principles shall serve as the foundation for our program here at The Learning Garden.

- Young children need consistency between home and child care.
- Family is what is most meaningful to a child. Learning begins in a family, continues in early care and education settings, and depends on parent involvement and caregiver guidance. A child's home language and culture can play a significant role in the child's cognitive and linguistic development.
- Children develop knowledge of their world through active interactions with caregivers, peers, materials, and events.
- Without a safe environment, children are not free to explore and learn. Supervision is the primary means of ensuring the safety of children.
- Outdoor experiences provide many opportunities for learning that an indoor environment cannot.
- Children naturally mimic familiar situations and places in their everyday lives. Guidance and redirection foster socialization and strengthen a child's sense of security by providing children with boundaries and choices.
- Music and movement activities provide opportunities for large and small motor development and can be a wonderful sensory experience.

### **Licensing Information Policy No. 4**

Employees are required to uphold the regulations and standards issued by The Texas Department of Health and Human Services Child Care Minimum Standards at all times.

Employees are required to immediately notify the School Director of any violations of licensing regulations by any person in the organization.

#### **4.2 National Accreditation**

Currently we are not nationally accredited however, will be working on it in the future.

#### **4.3 Texas Rising Star**

The Texas Rising Star program is “a voluntary, quality-based child care rating system of child care providers participating in the Texas Workforce Commission’s subsidized child care program.” TRS Certification is available to Licensed Center and Licensed and Registered Child Care Home providers who meet the certification criteria. The TRS Provider certification system offers three levels of certification (Two-Star, Three-Star, and Four-Star) to encourage providers to attain progressively higher certification requirements leading to a Four-Star level.

A Texas Rising Star (TRS) provider is a child care provider that has an agreement to serve Texas Workforce Commission (TWC)-subsidized children and that voluntarily meets requirements that exceed the State’s Minimum Child Care Licensing (CCL) Standards.

Across Texas, parents and families enroll their children into child care programs, including center-based and home-based programs. Numerous research studies have shown that at-risk children who attend higher quality child care programs are more prepared for school entry than children who do not attend quality child care programs.

Those providers that voluntarily achieve TRS provider certification, offering quality care that exceeds the State's Minimum Child Care Licensing Standards for director and staff qualifications, caregiver-child interactions, age-appropriate curricula and activities, nutrition and indoor/outdoor activities, and parent involvement and education, are in a better position to contribute to the early development of children. As provider's progress through the levels of TRS provider certification, they contribute progressively more to the development of the children they serve on a daily basis.

A full printed copy of the Texas Rising Star standards can be found at the information station. These standards are included as part of this Parent Handbook as if they were written herein.

Employees are required to uphold the standards and guidelines published by Texas Rising Star at all times.

Employees are required to immediately notify the School Director of any violations of the Texas Rising Star standards by any person in the organization.

#### **4.4 Texas School Ready**

Preschool teachers enrolled in TSR participate in a comprehensive teacher training program designed to help children be more prepared for kindergarten and beyond.

The four main components of TSR are:

- Curriculum
- Professional Development
- Coaching
- Child Progress Monitoring

Texas School Ready is a comprehensive preschool teacher training program that combines high quality classroom materials and curricula with ongoing professional development and progress monitoring tools. Teachers from child care centers, Head Start programs, and public-school pre-kindergarten participate in TSR. Throughout the school year, teachers enrolled in TSR are provided tools to help them learn more about the specific instructional needs of the children in their classrooms and how to support children using engaging lessons and activities. The new skills and techniques that teachers learn through TSR positively affect the classroom experience for children.

Employees are always required to uphold the standards and guidelines given to them by Texas School Ready coaches.

### **Parent Code of Conduct Policy No. 9**

St. Paul Lutheran YKT Child Care Center/The Learning Garden requires the parents of enrolled children, to behave in a manner consistent with decency, courtesy, and respect. One of the goals of St. Paul Lutheran YKT Child Care Center/The Learning Garden is to provide the most appropriate environment in which a child can grow, learn and develop. Achieving this ideal environment is not only the responsibility of the employees of St. Paul Lutheran YKT Child Care Center/The Learning Garden but, is the responsibility of each and every parent/adult that enters the center. Parents are required to behave in a manner that fosters this ideal environment. **Parents who violate the Parent Code of Conduct will not be permitted on school property thereafter.** Please refer to the Policy on Parent's Right to Immediate Access for additional information regarding dis-enrollment of the child when a parent is prohibited from accessing school property.

#### **9.1 SWEARING/CURSING:**

No parent or adult is permitted to curse or use other inappropriate language on church property at any time, whether in the presence of a child or not. Such language is considered offensive by many people and will not be tolerated. If a parent or adult feels frustrated or angry, it is more appropriate to verbally express the frustration or anger using non-offensive language. At NO time, shall inappropriate language be directed toward members of the staff.

### **9.3 PHYSICAL/VERBAL PUNISHMENT OF YOUR CHILD OR OTHER CHILDREN AT ST. PAUL LUTHERAN YKT CHILD CARE CENTER/THE LEARNING GARDEN:**

While St. Paul Lutheran YKT Child Care Center/The Learning Garden does not necessarily support nor condone corporal punishment of children, such acts are not permitted in the childcare facility. While verbal reprimands may be appropriate it is not appropriate for parents to verbally abuse their child. Doing so may cause undue embarrassment or emotional distress. Parents are always welcome to discuss a behavior issue with the teacher and to seek advice and guidance regarding appropriate and effective disciplinary procedures. Parents are prohibited from addressing, for the purpose of correction or discipline, a child that is not their own. Of course, no parent/adult may physically punish any child. If a parent should witness another parent's child behaving in an inappropriate manner or is concerned about behavior reported to them by their own child, it is most appropriate for the parent to direct their concern to the classroom teacher and/or Center Director.

Furthermore, it is wholly inappropriate for one parent to seek out another parent to discuss their child's inappropriate behavior. All behavior concerns should be brought to the classroom teacher or director's attention. At that point, the teacher and/or director will address the issue with the other parent. Although you may be curious as to the outcome of such a discussion, teachers and/or the Center Director are strictly prohibited from discussing anything about another child with you. All children enrolled in our school have privacy rights and are further protected by our Confidentiality Policy. You may be assured that we will not discuss anything about your child with another parent or adult visiting the center.

Please be particularly mindful of St. Paul Lutheran YKT Child Care Center/The Learning Garden entrance procedures. We all like to be polite. However, we need to be careful

to not allow unauthorized individuals into the center. Holding the door open for the person following you may, in fact, be polite, however that person may not be authorized to enter the premises. Security procedures are only as strong as the weakest person in our organizational chain. Be alert and mindful. Immediately report any breaches to the Center Director.

#### **9.6 CONFRONTATIONAL INTERACTIONS WITH EMPLOYEES, OTHER PARENTS OR ASSOCIATES OF ST. PAUL LUTHERAN YKT CHILD CARE CENTER/THE LEARNING GARDEN:**

St. Paul Lutheran YKT Child Care Center/The Learning Garden takes very seriously the responsibility of maintaining the confidentiality of all persons associated with the school. Parents must understand the implications of this responsibility. Parents need to recognize that the Confidentiality Policy not only applies to their child or family, but all children, families and employees associated with St. Paul Lutheran YKT Child Care Center/The Learning Garden. Any parent who shares any information considered to be confidential, pressures employees or other parents for information, which is not necessary for them to know, will be considered to be in violation of the Confidentiality Policy.

If parents have questions or concerns about our program, we encourage you to have open communication with your child's teacher and the School Director. director may complete a “Parent Concern Form”. Parents will receive a copy of this form with the appropriate outcome.

**Parent’s Right to Immediate Access**  
**Policy No. 10**

*Minimum Standards 746.501(b)(1)*

Parents of a child in our care are entitled to immediate access, without prior notice, to their child whenever they are in care at St. Paul Lutheran YKT Child Care Center/The Learning Garden, as provided by law.

In cases where the child is the subject of a court order (e.g., Custody Order, Restraining Order, or Protection from Abuse Order) St. Paul Lutheran YKT Child Care Center/The Learning Garden must be provided with a **Certified Copy** of the most recent order and all amendments thereto. The orders of the court will be strictly followed unless the custodial parent(s) requests a more liberal variation of the order in writing. In the case where both parents are afforded shared/joint custody by order of the court, both parents must sign the request for more liberal interpretation of the order.

**In the absence of a court order** on file with St. Paul Lutheran YKT Child Care Center/The Learning Garden, **both** parents shall be afforded equal access to their child as stipulated by law. St. Paul Lutheran YKT Child Care Center/The Learning Garden cannot, without a court order, limit the access of a one parent by request of the other parent, regardless of the reason. If a situation presents itself where one parent does not want the other parent to have access to their child, St. Paul Lutheran YKT Child Care Center/The Learning Garden suggests that the parent keep the child with them until a court order is issued, since our rights to retain your child are secondary to the other parent's right to immediate access. St. Paul Lutheran YKT Child Care Center/The Learning Garden staff will contact the local police should a conflict arise.

Visitors are asked to schedule appointments with the School Director and are allowed in the childcare facility only at the discretion of the School Director. An employee of St. Paul Lutheran YKT Child Care Center/The Learning Garden will accompany visitors at all times, throughout the center.

St. Paul Lutheran YKT Child Care Center/The Learning Garden will dismiss any child whose parent is prohibited from entering upon school property. Due to the parents’ right to immediate access policy, as well as state and federal regulations, St. Paul Lutheran YKT Child Care Center/The Learning Garden cannot have a child at the school when the child’s parent is prohibited access. St. Paul Lutheran YKT Child Care Center/The Learning Garden will not agree

to any request to maintain a child's enrollment even if the parent agrees to stay out of the school. Such an agreement is a violation of the law and will not be entertained.

**Dismissal  
Policy No. 11**

St. Paul Lutheran YKT Child Care Center/The Learning Garden reserves the right to dismiss any child at any time, with or without cause.

Parents will be refunded any unused tuition within two weeks of the dismissal. A school check will be mailed to the address indicated in the child's file. Any past due balances must be paid within 30 days of the dismissal. An invoice detailing the past due balance will be forwarded to the address indicated in the child's file within one week of the dismissal. Any balances remaining after the 30-day period will be referred to the school's legal counsel for collection.

The School Director or designee will assist the parent in gathering their child's belongings at the time of dismissal and parents are required to leave school property in a calm and respectful manner, immediately. St. Paul Lutheran YKT Child Care Center/The Learning Garden will request assistance from local police should any parent become disruptive and/or uncooperative while gathering their child's belongings upon dismissal.

A dismissed child and his/her parents are required to call and request an appointment with the School Director if they wish to return to school property following a dismissal. Appointments are made at the discretion of the School Director and are not a right of the dismissed child or parent.

Following a dismissal, any parent or child who harasses, threatens or in any manner causes harm to anyone affiliated with the school by calling, writing, or any other means, will be prosecuted to the fullest extent of the law, by St. Paul Lutheran YKT Child Care Center/The Learning Garden.

**Withdraw  
Policy No. 12**

A two-week written notice is required when withdrawing a child for any reason. If the proper notice is given, any unused tuition will be refunded within thirty days of the withdrawal. If the required notice is not given, parents will be refunded any tuition that was paid in advance.

The parents and child, following their last day of enrollment, are not permitted to re-enter school property without prior permission of the School Director. A

withdrawn child and his/her parents are required to call and request an appointment with the School Director if they wish to return to school property following the last day of enrollment at St. Paul Lutheran YKT Child Care Center/The Learning Garden. Appointments are made at the discretion of the School Director and are not a right of the withdrawn child or parent.

Parents who wish to change their child's days or times of enrollment at St. Paul Lutheran YKT Child Care Center/The Learning Garden, must submit a request to do so 7 days in advance of the proposed change.

### **Court Orders Effecting Enrolled Children Policy No. 13**

In cases where an enrolled child is the subject of a court order (ex... Custody Order, Restraining Order, or Protection from Abuse Order) St. Paul Lutheran YKT Child Care Center/The Learning Garden must be provided with a **Certified Copy** of the most recent order and all amendments thereto. The orders of the court will be strictly followed unless the custodial parent(s) requests a more liberal variation of the order in writing. In the case where both parents are afforded shared/joint custody by order of the court, both parents must sign the request for more liberal interpretation of the order.

**In the absence of a court order on file with St. Paul Lutheran YKT Child Care Center/The Learning Garden administration, both parents shall be afforded equal access to their child as stipulated by law.** St. Paul Lutheran YKT Child Care Center/The Learning Garden cannot, without a court order, limit the access of a one parent by request of the other parent, regardless of the reason. If a situation presents itself, where one parent does not want the other parent to have access to their child, St. Paul Lutheran YKT Child Care Center/The Learning Garden suggests that the parent keep the child with them until a court order is issued.

If conflicting court orders are presented, the most recently dated court order will be followed.

Once presented with a Protection from Abuse Order or a Restraining Order, St. Paul Lutheran YKT Child Care Center/The Learning Garden is obligated to follow the order for the entire period it is in effect. Employees of St. Paul Lutheran YKT Child Care Center/The Learning Garden cannot, at the request of anyone, except the issuing judge, allow a Protection from Abuse Order and/or a Restraining Order to be violated. St. Paul Lutheran YKT Child Care Center/The Learning Garden will report any violations of these orders to the court.

## Arrival Procedures Policy No. 14

Upon arrival at St. Paul Lutheran YKT Child Care Center, the parents or the adult dropping the child off must sign the child into care on the sign-in sheet located in the child's classroom as well as signing the child in at the front desk with your fingerprint. Children are required to be escorted by their parent or the adult dropping them off, to their designated classroom. Children are required by law to be supervised at all times while in the childcare facility. Parents are required to help children put away their outerwear and get settled for the day.

In order for all enrolled children to benefit from the curriculum and activities planned, **all children must arrive by 9:00am**. Children will not be admitted into care after 9:00am. Children who are late due to a scheduled appointment with a health care professional must have prior permission from the school director to be allowed to arrive after 9:00am however, child is not allowed to arrive during naptime. If child arrives after 11am the child must be fed lunch before they arrive. Late arrival is a disruption to the classroom and other children and may break the established routine of the classroom.

St. Paul Lutheran YKT Child Care Center/The Learning Garden discourages parents from sneaking out of the center. Some children exhibit separation anxiety when it is time for their parent to leave. St. Paul Lutheran YKT Child Care Center/The Learning Garden believes it is best for parents to tell the anxious child upon arrival that after all of the child's things are put away, the parent will kiss, hug and say goodbye to the child. This will prepare the child for their departure. The employee present in the classroom will comfort and assist the child through the anxious time. Parents are asked to leave after saying goodbye. The longer the parent of an anxious child drags out the departure, the more anxiety the child is likely to feel. The professional employees of St. Paul Lutheran YKT Child Care Center/The Learning Garden are available to discuss other options if the child does not settle into the arrival routine after a reasonable period of time.

### Health Checks

*Minimum Standards 746.501(26)*

Parents are required to notify the child's teacher or School Director of any special instructions or needs for the child's day. The parent must present the special instructions in the form of a letter and verbally discuss them with either the classroom teacher or School Director. These special instructions include but are not limited to: Early Pick Up, Alternative Pick Up Person,

health issues over the previous night which need to be observed and/or any general issues of concern which the child care providers should be aware to best meet the needs of your child throughout the day.

Parents must drop off their child by 9:00am in order for the child to be served breakfast. Breakfast will not be available or saved for any child arriving after 9:00am.

#### **14.1 NOTIFICATION OF ABSENCE**

Parents are required to inform the center by 9:00am if a child will not be at the center on a scheduled day. This will enable the center to more effectively maintain appropriate ratios and help the classroom teacher plan for the day.

If your child is ill, we request that you notify the school director not only of the absence, but also of the nature of the illness. This enables our faculty to keep track of any illnesses, which may occur at our school. This information will only be shared with staff on a “need to know” basis. If your child has a communicable disease, we ask that you share the diagnosis with the school Director, so that the parents of the children in the school may be notified that a communicable disease is present. Once again, only the communicable disease information will be shared. St. Paul Lutheran YKT Child Care Center/The Learning Garden will take all measures necessary to protect your child’s confidentiality. Parents are not required to disclose this information by law, and your continued enrollment will not be based whatsoever on your decision to share, (or not) the reason for your child’s absence from school.

Parents who know in advance that a child will be late, are required to notify the center by 9:00am so as to maintain the appropriate number of employees to ensure ratios are met when the child arrives to school.

St. Paul Lutheran YKT Child Care Center/The Learning Garden reserves the right to refuse admission to any child at any time with or without cause.

5. Parent’s failure to maintain accurate, up to date records.

6. Parents' failure to complete and return required documentation in a timely fashion.

Parents will not be reimbursed tuition for days when their child is refused admission to the program.

**Pick Up Procedures**  
**Policy No. 15**

*Minimum Standards 746.501(2)*

Parents or other authorized adult are required to sign their child out of care on the sign-out sheet located in the classroom and at the front desk with their fingerprint. Once a parent signs their child out, the parent is then solely responsible for supervising their child while on school premises. The parent may not allow a child to wander through the hallways, bathrooms, other classrooms and/or playground. Parents are required to handle all business issues prior to signing out their child and are required to directly exit the building once they have signed their child out of care.

Parents must take home all papers in the child's cubby or school bag each day.

Parents or persons designated to act "in lieu of parent" are required to sign any incident/accident reports from the day at pick-up. The classroom teacher will be able to briefly discuss the matter with you or another authorized adult at pick-up. However, should you feel it necessary to have an in-depth discussion or meeting, it is most appropriate to schedule the meeting for a later date because the teacher is responsible for supervising the remaining children in the classroom. A telephone conference may be scheduled for later in the day or for the next day at nap/rest time if the parent(s) is unable to meet at the center during the course of the day.

**15.1 LATE PICK-UP:**

Our schools are licensed to care for children from 7:00am to 6:00 pm. Parents must pick up their children no later than 6:00pm. A parent is late picking up their child at 6:00pm. All measurements of time are to be according to the St. Paul Lutheran YKT Child Care Center/The Learning Garden clock located at the front desk.

A late fee of \$2 per minute per child will be charged for late pick-ups. Late fees must be paid at the time of pick up. The child will not be allowed to return to care until all late pick up fees are paid in full.

A child's services will be terminated should the child be picked-up late on three occasions in one school year regardless of the reasons for the late pick-up. It is the parent's responsibility to ensure that someone (either a parent or Emergency/Alternate pick-up person) is available to pick up the child on time.

### **15.2 PERSONS APPEARING TO BE IMPAIRED BY DRUGS/ALCOHOL AT PICK-UP**

The staff of St. Paul Lutheran YKT Child Care Center/The Learning Garden will contact local police and/or the other custodial parent should a parent appear to the staff of St. Paul Lutheran YKT Child Care Center/The Learning Garden to be under the influence of drugs and/or alcohol. The parent's right to immediate access does not permit the school from denying a custodial parent access to their child even if the parent is or appears to be impaired. However, St. Paul Lutheran YKT Child Care Center/The Learning Garden staff will delay the impaired parent as long as possible, while contacting the other parent, the local police, and Child Protective Services.

Any other authorized person who attempts to pick-up a child and appears to the staff of St. Paul Lutheran YKT Child Care Center/The Learning Garden to be under the influence of drugs and/or alcohol will be denied access to the child. The staff of St. Paul Lutheran YKT Child Care Center will contact the child's parents, local police and Child Protective Services to notify them of the situation.

Parents are encouraged to include on this form any, and all persons who, in the course of events, may at one time be asked to pick-up their child from St. Paul Lutheran YKT Child Care Center/The Learning Garden. In an emergency situation, the child's parents will be called first. If they cannot be reached staff will call the persons listed on this form until someone can be reached.

Should the staff contact a parent, and the parent is unable to pick up the child, it is then the responsibility of the parent to arrange for their child to be picked up by someone on the emergency list. Failure of the parent to make such arrangements will result in dismissal from the program.

Parents do not need to be listed on the emergency contact list. The nature of the parental relationship affords the parents (in the absence of a court order indicating otherwise) the right to pick-up their child.

Parents will be asked to determine which persons (if any) on the emergency/alternate pick-up list have the right to act “In Lieu of Parents.” In Lieu of Parents status affords the pickup person the right to discuss confidential information about the child’s day including but not limited to, incident/accident reports, and behavior issues. In the absence of this designation the people on the emergency/alternate pick up list are only afforded the right to pick up the child. Staff is not permitted to discuss the child’s day with them.

The persons on the emergency/alternate pick-up list will be required to provide a Government issued photo ID prior to the school releasing the child. There will be no exceptions to this rule.

All changes and/or additions to the emergency/alternate pick-up list must be made in writing and be dated and signed. Only custodial parents have the right to make changes or additions to this form. Employees of St. Paul Lutheran YKT Child Care Center/The Learning Garden are prohibited from being listed on the emergency/alternate contact list.

Open Communication with parents is very important to children’s success. St. Paul Lutheran YKT Child Care/The Learning Garden has multiple ways of communicating with parents. In some situations, parents may be asked to sign documents acknowledging that communication has taken place. Signing such documents is not an admission or agreement in any ways, yet acknowledgement that communication took place. Failure to sign documents is grounds for immediate dismissal from the program.

Listed below are ways that St. Paul Lutheran YKT Child Care Center/The Learning Garden may communicate with parents:

- Our electronic monitor located in the front lobby

**Discipline  
Policy No. 20**

*Minimum Standards 746.501(7)*

St. Paul Lutheran YKT Child Care Center/The Learning Garden staff members are trained to use a positive method of discipline and guidance that encourages self-esteem, self-control, and self-direction. Just a few examples used in this situation are praise and encouragement of good behavior instead of focusing only upon unacceptable behavior: reminding a child of behavior expectations daily by using clear, positive statements and redirecting behaviors. St. Paul Lutheran YKT Child Care Center/The Learning Garden does not use "time out" as a form of managing behavior. St. Paul Lutheran YKT Child Care Center/The Learning Garden staff will never use Corporal Punishment or negative discipline that may hurt or humiliate a child.

Research has shown that positive guidance teaches children skills which help them get along in their physical and social environment. This aim is to develop personal standards in self-discipline, not to enforce a set of inflexible rules. Giving children understandable guidelines and redirecting their behavior helps them to develop internal control of their actions and encourages acceptable behavior. Positive cooperation is required from the family when dealing with disruptive behavior. We feel that consistency from all parties involved is the best way to handle these issues. St. Paul Lutheran YKT Child Care Center/The Learning Garden reserves the right to terminate care for the child for discipline problems at any time.

St. Paul Lutheran YKT Child Care Center/The Learning Garden employees are trained in Conscious Discipline. Conscious Discipline techniques and beliefs are used at all times in the classroom. These techniques and beliefs include:

- Our role is to teach behavior, not stop behavior.
- Adults seeing themselves as role models in the classroom. Adults are to behave in the same manner expected of the children.
- Using active calming techniques for both children and adults
- Understanding that all behavior is a form of communication. When children act out, it is an opportunity to teach, not punish.
- Meeting the needs of the children so that they can meet the needs of their peers.
- Allowing children to express their emotions while supporting and comforting children in distress.

- Understanding that all children can only see the world through their version of reality, and helping children see the world as a positive place to live.
- Being optimistic and positive about all children enrolled in our program.
- Greeting each child every morning in a positive and impactful way.

## **Health and Safety Policy No. 25**

### **25.1 PRE-ENROLLMENT REQUIREMENTS**

*Minimum Standards 746.501(11,13)*

Each child is required to complete a pre-enrollment packet of information. This packet is to be returned to the center's office 3 business days prior to the child's first day of attendance. All children are required to have a complete up to date immunization record on file at St. Paul Lutheran YKT Child Care Center/The Learning Garden. This is per our licensing regulations. If you have chosen not to have your child immunized, please ask the school director for an immunization waiver form. Immunizations may be waived for certain reasons. Please discuss this with the school director to determine whether you have the right to be enrolled and not have your child immunized. Parents are required to have a waiver on file in place of an immunization record, so that the center can maintain compliance with licensing regulations.

All children are required to have a Physician's Statement form filled out by a licensed medical professional, in order to attend St. Paul Lutheran YKT Child Care Center/The Learning Garden. The Physician's Statement Form, indicating the child's fitness to attend St. Paul Lutheran YKT Child Care Center/The Learning Garden, must be completed by a licensed healthcare professional and returned to the School Director 3 business days before enrollment.

### **25.2 CHILDREN WITH SEVERE ALLERGIES**

For the safety of your child, parents are required to provide a signed copy of the "Food Allergy Emergency Plan" form, detailing any allergies, food or otherwise, from which their child suffers, at the time of enrollment or when the allergy is discovered. This form must be completely filled out by the child's physician

and parent(s) or legal guardian(s), and must be updated every six months, or more frequently, as needed. This form can be obtained by request from the School Director.

Any medication required to treat an allergic reaction must be provided in accordance with the Medication Policy detailed herein.

### **25.3 COMMUNICABLE DISEASES /Illnesses**

*Minimum Standards 746.501(3)*

St. Paul Lutheran YKT Child Care Center/The Learning Garden follows all health/communicable disease policies as outlined in the American Academy of Pediatrics Model Health Policies and Procedures Manual. A copy of this manual is on file with the School Director and is available upon request for review. Additionally, copies can be purchased, for a nominal fee, from the National Association for the Education of the Young Child (NAEYC).

Parents are required to pick up an ill child within 1 hour of notification by phone. If a parent is reached but cannot pick their child up within 1 hour, it becomes the parent's responsibility to arrange for alternate pick up with someone listed on the child's emergency contact form. The staff will not continue to call those listed on the emergency contact list once a parent is reached. If a parent cannot be reached, the staff will begin to call the people listed on the emergency contact form, until arrangements can be made for the child to be picked up.

Children will be excluded from participation in the program if they exhibit symptoms of any communicable disease. They will not be permitted to return to the program until they are no longer contagious. Guidelines for determining the contagious period for a specific illness are based on the recommendations by the American Academy of Pediatrics. Children must present a doctor's note stating they are no longer contagious and can return to the program. St. Paul Lutheran YKT Child Care Center/The Learning Garden reserves the right to refuse to allow a child to return if the center director or designee believes the child to be too ill to participate in the program.

Children excluded from the program due to a fever may not return to the program until they are fever free, without fever reducing medication, for 24 hours. If your child is sent home due to a fever, he/she is not permitted to return to the program the following day at a minimum. A fever is defined as a temperature reading on a thermometer of at least 100 degrees Fahrenheit or more as taken under the arm.

Children are required to be excluded from the program for loose bowels or diarrhea which occur 2 or more times in a 24-hour period of time. Children may return to the program when normal bowel movements resume.

If your child will be absent due to illness, we request that you notify the school director. This enables our faculty to keep track of any illnesses, which may occur at our school. This information will only be shared with faculty on a “need to know” basis. If your child has a communicable disease, we ask that you share the diagnosis with the school director, so that the parents of the children in the school may be notified that a communicable disease is present. Once again, only the communicable disease information will be shared. St. Paul Lutheran YKT Child Care Center/The Learning Garden will take all measures necessary to protect your child’s confidentiality. You are not required to disclose this information by law, and your continued enrollment will not be based whatsoever on your decision to share, (or not) the reason for your child’s absence from school.

#### **25.4 BITING**

St. Paul Lutheran YKT Child Care Center/The Learning Garden recognizes that biting is a developmentally appropriate behavior for children in the infant through 2 ½ year old classrooms. Parents with children in these classrooms should expect that their children may be bit or will bite another child. The staff understands that parents are concerned and can be upset when their child is involved in a biting incident. We ask that you remember this is a developmentally appropriate behavior, and that the staff is working to identify situations which, provoke, or elicit this behavior so it can be prevented in the future. The staff will not punish, or harshly discipline children in the younger classrooms for biting behavior; they will simply redirect the children to different activities in separate areas of the classroom. Parents are expected to work with staff to identify methods and strategies to curb this behavior. Uncooperative parents will have their child’s services terminated.

Children older than 3 years of age, may occasionally be involved in a biting incident. For children in this age group who bite, the staff will use the discipline procedures outlined in the discipline section of this handbook, as well as observe the child to determine what provokes or elicits this inappropriate behavior. Parents are expected to cooperate with staff to help their child control this behavior. Uncooperative parents will have their child’s service terminated. Furthermore, children, in the older age groups, who bite 3 times in a school year will have their services terminated since, the safety of all the children in the program is of the utmost concern of St. Paul Lutheran YKT Child Care Center/The Learning Garden.

Parents will be notified by incident/accident report that a biting incident occurred during the course of the day. The staff may not discuss with either parent the identity of the other child involved in the incident. This information is considered to be confidential and cannot be disclosed. The staff of St. Paul Lutheran YKT Child Care Center/The Learning Garden cannot discuss the medical history of any child involved in a biting incident with the other party. It is recommended that any child involved in a biting incident be seen by their family physician if the parents are concerned about communicable diseases possibly resulting from the biting incident.

## **25.5 DISPENSING MEDICATION**

*Minimum Standards 746.501(4)*

St. Paul Lutheran YKT Child Care Center/The Learning Garden will only dispense over the counter and/or prescription medication that is in original, labeled containers, and is accompanied by a doctor's note with explicit dosage and administration instructions. St. Paul Lutheran YKT Child Care Center/The Learning Garden will only give medication to the child for whom the doctor's note is written and for whom the medication container is labeled. One doctor's note per course of treatment is required. If a child, for example, is to be given a course of antibiotics for 10 days, the doctor's note must identify the dates that the medication is to be given. **St. Paul Lutheran YKT Child Care Center/The Learning Garden will only dispense prescription medication that is prescribed three or more times in a day. Medication prescribed once or twice a day must be given by the parent at home.**

Parents are required to complete a Medication Form each day that medication is to be dispensed. Medication Forms can be found at the front office. Medication Forms, doctor's notes and medication are to be turned into the School Director.

St. Paul Lutheran YKT Child Care Center/The Learning Garden will dispense over the counter, fever reducing/pain medication (ex. Children's Tylenol, Children's Motrin) on an as needed basis, with a doctor's note detailing the recommended reasons for administration and appropriate dosage. Parents are required to supply an unopened bottle of the fever reducing/pain medication clearly labeled with their child's name. (One note and bottle of fever reducing/pain medication is required per child.) Prior to administering fever reducing/pain medication, staff will contact a parent or person listed on emergency contact form, if a parent cannot be reached, to inform them of our need to administer the medication. Staff will also inform the parent or

emergency contact person if it is necessary for the child to be picked up due to illness. Refer to the policy listed above regarding picking up ill children.

Parents are responsible for ensuring that all prescription medication is properly labeled by a pharmacist and replaced prior to the expiration date.

## **25.6 FIRE/EMERGENCY DRILLS**

*Minimum Standards 746.501(5)(23)*

St. Paul Lutheran YKT Child Care Center/The Learning Garden conducts monthly fire and emergency/evacuation drills. Parents, staff and children will not be made aware of drill dates or times, as this is the most effective way to assess the effectiveness of fire and emergency/evacuation plans.

During a fire/emergency drill or real fire/emergency situation, parents may not sign children into or out of the program. Parents must wait until the drill is complete and children have returned to the building to sign their child into the program. Parents may feel free to wait with the child's class in the designated safe zone outside of the building until the drill is complete.

In the event of a real fire/emergency situation, the director or designate will inform each classroom teacher that the school will be closing. At this time, any parents waiting to sign their child in will have to leave the premises with their child. All other parents or emergency contact persons will be notified by telephone of the situation. As with the sick child pick up policy, children must be picked up within 1 hour of the telephone call.

Parents wishing to sign their child out of the program during a fire/emergency drill or real fire/emergency situation are expected to have patience with the staff as they are trying to maintain order during an often hectic and dangerous situation. If the school is in the midst of a fire/emergency drill, parents will be required to wait until the drill is completed and the staff and children are returned to the building to sign their child out of the program. If the school is having a real fire/emergency situation, parents will be asked to wait until the director or designee has accounted for all staff and children and gives the staff permission to release children. Once again, it is important for parents and staff to work together, remain calm, and cooperate with the fire/emergency personnel and center administration during these important and critical situations.

Parents may review the complete St. Paul Lutheran YKT Child Care Center/The Learning Garden Emergency Preparedness Plan posted in every classroom and on the Parent Communication Board.

## **25.7 ALTERNATE SAFE LOCATION**

*Minimum Standards 746.501(23)*

Should the administration of St. Paul Lutheran YKT Child Care Center/The Learning Garden or any emergency services personnel determine the building which houses the child care agency to be too dangerous to be occupied, the staff and children will be taken to an alternate location detailed in the St. Paul Lutheran YKT Child Care Center/The Learning Garden Emergency Preparedness Plan. Once the children are assembled here, the staff will begin contacting parents or emergency contact persons for pick up. As stated before, children must be picked up within 1 hour of the telephone call.

## **25.8 INCIDENT/ACCIDENT REPORTS**

Should your child be involved in an incident/accident during the course of the school day, a staff member will complete an Incident/Accident Report. The Incident/Accident Report will be provided to the parent by the classroom teacher.

Parents or persons designated to act “in loco parentis” are required to sign any incident/accident reports from the day at pick-up. The classroom teacher will be able to briefly discuss the matter with you at pick-up. However, should you feel it necessary to have an in-depth discussion or meeting, it is most appropriate to schedule the meeting for a later date because the teacher is responsible for supervising the remaining children in the classroom. A telephone conference may be scheduled for later in the day or for the next day at nap/rest time if the parent(s) is unable to meet at the center during the course of the day.

Should a person other than the parent or one designated to act “in lieu of parents” pick-up the child, a parent or person designated to act “in lieu of parents” must sign the Incident/Accident Report and return a copy to the school director within 24 hours. Failure to sign and return an Incident/Accident in this time period will result in your child’s exclusion from the program until such time as the report is returned signed.

## **25.9 FOODS**

*Minimum Standards 746.501(10)*

**All age groups:**

For the safety of your child, parents are required to provide notification, in the form of a doctor's note, of any allergies (food or otherwise), with instruction for treatment should a child have an allergic reaction. Please refer to the Health and Safety Policies contained herein for further information.

Parents are required to provide written notification of any food/dietary restrictions. (i.e., lactose intolerance, vegetarian diets, wheat free/gluten free diets)

St. Paul Lutheran YKT Child Care Center/The Learning Garden never uses food as a punishment. Children will never be denied participation in lunch or snack time for behavior reasons.

**Infants:**

St. Paul Lutheran YKT Child Care Center/The Learning Garden provides formula for the children enrolled in our programs. If a parent wishes to provide an alternate formula, they may do so at their expense. There is no reduction in fees or tuition for parents who provide their own formula or food.

## **25.10 NUT FREE CENTER**

Due to the extreme nature of allergic reactions to nuts and products containing nuts in some children, St. Paul Lutheran YKT Child Care Center/The Learning Garden prohibits nuts and/or foods containing nut products on St. Paul Lutheran YKT Child Care Center/The Learning Garden property, and/or at St. Paul Lutheran YKT Child Care Center/The Learning Garden sponsored events. These nut allergies can be so severe that exposure to nuts can result in an anaphylactic reaction. An allergic child can have a reaction from simply smelling nuts on someone's breath or touching nut oil residue left on a countertop, not only from consuming nuts or nut products. This includes, but not limited to, milk made with nuts such as almond milk.

Due to the possibility of cross-contamination, (this occurs when one food is prepared with items previously used to prepare foods with nuts, or nut products), St. Paul Lutheran YKT Child Care Center/The Learning Garden does not allow homemade snacks at the center. While St. Paul Lutheran YKT Child Care Center/The Learning Garden understands that parents enjoy providing homemade snacks for birthdays and holidays, we must be mindful of the safety of all children enrolled at St. Paul Lutheran YKT Child Care Center.

Since St. Paul Lutheran YKT Child Care Center/The Learning Garden is a nut free environment, parents can purchase the items to make homemade snacks and make arrangements with the classroom teacher to make the snacks as part of a classroom lesson. Only St. Paul Lutheran YKT Child Care Center/The Learning Garden utensils, bowls, and bakeware may be used to prepare these foods.
